Why Healthy Air Matters

middle school & high school **Air Quality Educational Program**

**South Coast Air Quality
Management District**

The logo for 'WHAM' is written in large, bold, orange, sans-serif capital letters. It is positioned inside a white, stylized cloud shape that has a soft blue shadow underneath. The background of the entire top section is a solid orange color.

WHAM

Why Healthy Air Matters

REGISTER YOUR STUDENTS for South Coast AQMD's middle and high school educational program today!

The Why Healthy Air Matters (WHAM) program is South Coast AQMD's free middle and high school air quality educational program. The program is designed to increase awareness of air quality issues and utilizes a curriculum aligned with Next Generation Science Standards (NGSS).

Participating classrooms will receive access to the WHAM curriculum and supplies to successfully complete each lesson. WHAM offers teachers flexibility to accommodate their classroom needs.

VIRTUAL GUEST SPEAKERS

COMPLETE LESSON PLANS

HANDS-ON CURRICULUM

ACCESS TO AIR MONITORING TOOLS

All materials are complimentary with registration while supplies last.
