Good morning CSC members,

Below is a link to the proposed route for the Boyle Heights, East Los Angeles, and West Commerce community tour. Please review the tour route and let me know if the tour captures the committee concerns as discussed at the CSC meetings. We would really appreciate your feedback as soon as possible to finalize the tour route before our next CSC meeting on March 28th at Resurrection Church.

If you click on the route stops on the Tour List Overview, there are notes to each stop explaining that particular stop.

Thank you to Cindy Donis for putting together this map and Jennifer Lahoda for coordinating the facility tour at Pacific Resource Recovery Services!
