## **The Appendix Document Related to the Draft Community Air Monitoring Plan (CAMP) is Now Available**

Dear Technical Advisory Group (TAG),

This email is to inform you that the Appendix document related to the Draft Community Air Monitoring Plan (CAMP) for the East Los Angeles, Boyle Heights, West Commerce (ELABHWC) community has been posted online: <http://www.aqmd.gov/nav/about/initiatives/environmental-justice/ab617-134/east-la>

This Appendix includes: (A) a list of all field and laboratory equipment that will be used for air monitoring implementation; and (B) a rationale of the procedure used to prioritize monitoring locations based on community input. South Coast AQMD staff is seeking input from the Community Steering Committee and members of the public to revise and improve this Appendix document. Please submit your edits, comments, and suggestions by June 6<sup>th</sup>, 2019 so that these can be considered before air monitoring begins by July 1<sup>st</sup>, 2019. Public comments received after June 6<sup>th</sup> also will be evaluated for future versions of the CAMP and Appendix documents. This

document will also be submitted to the California Air Resources Board (CARB) staff for review.

For any questions regarding the above information, please contact:

Dr. Andrea Polidori  
Advanced Monitoring Technologies Manager
