Air Quality Priority: Truck Traffic and Freeways

Purpose: To identify goals, actions, and strategies that can be used to reduce emissions or exposure to truck traffic and freeways in SELA.

- **Goal:** Quantitative and qualitative targets (for example: emissions reductions targets and outreach goals)
- **Strategy:** Tools to implement actions (for example: incentives, rules, and enforcement)
- **Action:** Policies developed by the CSC to reduce emissions from sources and exposure to emissions

Goal	Action	Strategy
		<input type="checkbox"/> Rules/Regulations <input type="checkbox"/> Incentives <input type="checkbox"/> Air Monitoring <input type="checkbox"/> Enforcement <input type="checkbox"/> Collaboration <input type="checkbox"/> Outreach
		<input type="checkbox"/> Rules/Regulations <input type="checkbox"/> Incentives <input type="checkbox"/> Air Monitoring <input type="checkbox"/> Enforcement <input type="checkbox"/> Collaboration <input type="checkbox"/> Outreach
		<input type="checkbox"/> Rules/Regulations <input type="checkbox"/> Incentives <input type="checkbox"/> Air Monitoring <input type="checkbox"/> Enforcement <input type="checkbox"/> Collaboration <input type="checkbox"/> Outreach
