

Public Workshop

Concepts to Reduce Emissions from Locomotives and Railyards

Join CARB and South Coast AQMD as they discuss concepts to reduce emissions from locomotives and railyards. This is the first in a series of meetings on this topic that CARB will host throughout the state in coordination with local air districts.

Wednesday, December 11, 2019

6:30 PM – 8:30 PM

San Bernardino Valley College

Room B-100

701 S. Mt. Vernon Ave.

San Bernardino, CA 92410

The meeting will be open to the public and there will be an opportunity for public comment. Materials are available at the links below. A link to the video recording of the meeting will be posted after the meeting.

Spanish interpretation will be available.

(Additional language accommodations can be made with at least 7-day advance notice)

The agenda and documents in the agenda packet will be made available upon request in appropriate alternative formats to assist persons with a disability. Disability-related accommodations will also be made available to allow participation in the meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the organization. Please call (916) 322-6019.
