

Update

Disbursement and Tracking of Funds Received Pursuant to Rule 1304.1 - Electrical Generating Facility Fee for Use of Offset Exemption

Thank you for both your continued interest and participation in the development of the proposed Rule 1304.1 Implementation Plan Guidelines Working Group and your participation at our last meeting on September 30th, 2015. This update is to inform you that the date for the next two public meetings regarding consideration of staffs proposal has changed. The Stationary Source Committee Meeting originally indicated as October 16, 2015 has been changed to November 20, 2015 and the Governing Board date originally indicated as November 6, 2015 has changed to December 4, 2015. We will continue to keep you informed of any changes.

In addition, due to this schedule change, we are extending the comment period for submitting comments on staff's proposal to implement Rule 1304.1 to October 30, 2015. Please submit your comments by close of business on that day for staff's consideration in preparation for the November 20th meeting of the Stationary Source Committee.

As before, please submit your comments and any questions to Henry Pourzand at :

Henry Pourzand, Air Quality Specialist
