<b>Accessories - software</b>					
	communications module	\$ 600.00	nil	0.00%	\$ 600.00
	Accessories - software	\$ 15.00	per station per month		
<p>GRIDbots ETL listing provides for a unique and advantageous shipping and installation process. various UP station housing posts (Wall, Pad, etc) and UP station heads (single L-2, double L-2 or combo L-1 and L-2) may be shipped in separate boxes. This allows for heavy construction, concrete work and post mounting to be done ahead of time while the more valuable station heads can remain off site for quick installation by an electrician. Charging heads may also be swapped, upgraded and rented.</p> <p>All UP products are packed in double wall boxes with polyethylene foam inserts for secure shipping.</p>
